Accelerated Reading

Students, you have two more weeks till the quarter is over. So make sure you are keeping up with your required 25 points in Accelerated Reading. Check the website if you have any questions regarding my grading policy for reading.

I need your Help

Every Friday our class is scheduled to help with the hot lunch program. If you can help prepare lunch, serve, or clean up, please give me a call as soon as possible. Your child will receive a free hot lunch on this day. This coming Friday I only have one person preparing lunches and doing the clean-up. Your help would be much appreciated.

Reading Logs

Students are expected to keep a Reading Log to document their reading at home. Each week students need to read for a minimum of 120 minutes. I encourage a variety of books, not just AR books. They can even read magazines and newspaper articles! If you see an article in the paper that might interest your child, please clip it out and share it with them. One part of their reading grade will be based on their Reading Log and AR performance.
