Accelerated Reading

This is the last week to earn your 25 points in Accelerated Reading. So please keep on reading and taking your test. I will have a surprise for the students who earn their points.

ITBS Testing

Everyday this week the class will be taking their ITBS test. It is very important that everyone gets plenty of sleep and a good breakfast. You may send a snack with the kid's lunches so that they can have a quick bite if needed.

Reading Log

Students need to turn in a reading log this week. This will be the last one for this first quarter. I will list the students who have turned one in every Friday next week. I challenge everyone to turn one in this week.

Book Review

Next week, the class will be writing a book review covering the books that were read during literature class. I will be helping them with the elements that need to be covered. However, if you would like to get a start on it, check out the web site and look under book review.

Hot Lunch Helpers

Every week the 5th/ 6th grade class is in charge of hot lunch. Please let me know if you are able to help

Spelling

Remember to study your spelling words this week. Check out the web site under spelling - there are games to help you with your words.
