With Mrs. Mitchell

This week's homework

Accelerated Reading

I would like to congratulate the following students who earned their Accelerated Reading points for the first quarter.

Walt Destiny Eryn Mirinda
Hannah E. Hannah L. Michael Andrew
Amber Caleb Katie G.

Book Review

This week I will be working with the students on completing their first book review. This review will only need to be one page in length. Check out the class website to see a sample book review.

Daily Math Drills

Everyday the students are taking a one minute drill on multiplication facts. If your child needs some help, this site is great for immediate feedback. The best thing about it is they can do it all by themselves. www.mathfactcafe.com. This Monday many students are ready to start their drills on division. Way to go!

Amber Caleb Hannah L. Katie G.
Andrew Walt Javier Hannah E.

Michael

Happy Birthday - Walt

Fifth Grade:

Reading logs—120 min. a Week

Vocab.—Spelling homework on the website under quiz page

Sixth Grade:

Reading logs—120 min a Week

Vocab.— quiz on line / email me

Math— Math out of the hard book and Math quizzes on line

A good rule to follow for homework is 10 minutes per night for the grade level you are in.

Spelling

Students will have a spelling test this Friday. Check out the web site under spelling - there are games to help you with your words.

Reading Logs

Please remember to turn in your reading logs on time. Each week one or two students forget to turn them in or not complete the form correctly. I'm raising the bar on the reading logs this quarter. Each form needs to be recorded correctly with your name, date, minutes read, summary, and parent's signature.

Falls Festival

The Fall Festival is November 1. My class will be making snow cones. I have all the ingredients to make them, but I need help making them. If you can come and help that Sunday for an hour, give me a call @ 746-1708.
