With Mrs. Mitchell

Accelerated Reading

On Friday, I sent home with the students their list of reading points that they have earned this quarter. Seven students are on track. There are only two weeks left to earn the required 25 points. The class has a nightly homework assignment to read at least 20 minutes a night and to record it on their Reading logs that are turned in each Friday.

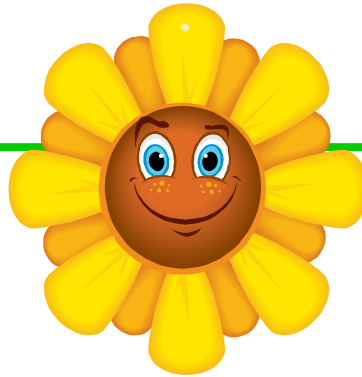

I Need Your Help

I would like to thank Ms. Rodman for her help this week preparing hot lunch. She came in and volunteered her time to help our class even though she does not have a student in our room. If you can help prepare lunch, serve, or clean up, please give me a call as soon as possible. Your child will receive a free hot lunch on this day. Your help would be much appreciated.

Math Quizzes

Remember to take your required math quizzes each week. These quizzes are worth 10% of your overall math grade. These points add up fast. The following students have taken all of their quizzes. (6th Grade)

Amber	Andrew	Caleb
Hannah E	Hannah L	Katie D
Katie G	Michael	

This week's homework

Fifth Grade:

Reading logs—120 min. a Week
Vocab.— Study your words

Sixth Grade:

Reading logs—120 min a Week
Vocab.— quiz on line / email me
Math— Math quizzes on line

A good rule to follow for homework is 10 minutes per night for the grade level you are in.

Happy Birthday
Mirinda

Vocabulary Homework

Every week the 6th grade class needs to take at least one vocabulary quiz and e-mail me your results. This is a required homework assignment each week.

Thanks to:

Amber	Andrew
Caleb	Hannah E
Hannah L	Katie D
Katie G	Selina

These students received credit last week. Remember to take another quiz this week to receive this week's credit. Your vocabulary test will be on Thursday.

Fifth Grade:

You also need to study your vocabulary words. You too have a test on Thursday. Check out the web site under spelling - there are games to help you with your words.

Check out the classroom website.
