Junior High School February 2012 Lunch Menu

Happy Valentine's Day!

A goal for you this month can be to keep your heart healthy. Some tips to remember for keeping your heart in great shape include:

- Try eating a variety of fruits and vegetables throughout your day. Fruits and vegetables provide essential nutrients for your heart.
- Always remember to choose healthier options of foods such as water or low fat milk instead of soda, or a piece of fruit instead of chips.
- Keep physically active! Exercise promotes the strengthening of your heart, mind, and body.

Test your heart healthy knowledge:

1. Fiber is packed with whole grains and nutrients. Which food is a great source of fiber?
A) Cheese B) Whole wheat breads C) Crackers
2. Eating fish is a great way to improve heart health. Aim to eat fish:
A) Once every two weeks B) Once every month C) At least twice a week
3. Which food do you think is the best choice to keep your heart healthy?
A) Bacon B) Blueberries C) French fries
4. Which activity do you think will be the most beneficial for your heart?
A) Skipping breakfast B) Watching TV for hours C) Playing sports with friends

This month's featured menu item is green beans. Green beans are a great source of fiber, vitamin K, and vitamin C. Green beans are fat-free and delicious! Green beans are also known as string beans and are available year round. Enjoy green beans with any meal and you will be providing yourself with essential nutrients! Remember to look for the green leaf for the featured fruit or vegetable of the month.

Supermarket Tips!

Shopping tips—Choose fresh, colored beans that snap easily when bent. Avoid beans that are soft, limp, or have brown spots or open pods. Discoloration of green beans is a sign that they are old and not edible.

Storage—Refrigerate the green beans in a plastic bag and try to use the green beans within one week for best results.

Green beans are easy to cook and serve. Simply wash the green beans and boil the beans for about 3 minutes. Drain the green beans and add almonds, peppers, or any of your favorite seasonings.
