Pottstown, Pottsgrove, Boyertown, and Spring Ford School Districts provide bussing for Kindergarten students. Owen J. Roberts provides bussing to school in the morning only for half-day students and both ways for full time students. Please call your local school district to confirm your bussing arrangements. You must register for bussing in your school district regardless if you choose to use bussing or car to transport. CARES, an after school care program, is available, at an additional charge, from dismissal until 6:00PM.
