

Keeping the Dream Alive

The Home & School Association Helps Make the Best School Memories for Our Students and Teachers

The PJP II Home & School Association is a vital part of our school community providing our children and teachers with support for academic excellence as well as helping build school spirit and pride. The Home & School Association sets up parent volunteers for classrooms in art, computer, library and gym as well as raises funds for many activities throughout the school year including Fun Day and field trips. Funds raised also pay for the costs of academic standardized testing and special classroom purchases.

**As parents, you are our most important resource!
When you have a question or an idea or want to volunteer,
please contact your grade level VP or someone from the Executive Board.
We are happy to answer any questions for you!**
