

# Halloween Fish

One night, three fish friends were getting ready for a Halloween party at Gracie's house. Gracie, Chuckie, and Bob were putting out bowls of jumbo Hershey Kisses and night lights around the house. People were beginning to arrive. They noticed that their friend Samantha was not here yet. They called her and she told them that she was going to be late. The party was off to a good start! Many people were here and having a fun time.

Suddenly the power went out and they felt a big net come down in their tank. Oh no! The cleaner is cleaning the tank! He scooped up Gracie, Bob, and Chuckie. Samantha arrived just in time! She notices that her friends are in danger. What will she do?!

Sam feels around for something to get them out. While trying to do that she bumps into the fridge and many things fall including Gracie's mom's favorite mom magnet. She finally found something. It was a toothbrush! She poked the toothbrush through the net and sets them free. The power came back on! They finally can finish the party and end with a great night. Gracie realizes that Bob is missing.....
