

Hopper and Chomper's Halloween

One day, Chomper the beaver got a letter in the mail. It was from his friend Hopper the grasshopper! Hopper wanted Chomper to come to his house by the beach for a Halloween party. When Chomper was ready to get on his leaf-plane, he realized he didn't have any money. When he was walking home, he found a penny under a leaf. Chomper was so excited; he ran all the way back to the airport to get on his leaf-plane. When he was ready, the leaf plane launched into the air because of a huge rubber band. After a short plane ride, Chomper landed at Hopper's beach house. He was so happy to see his best friend. At Hopper's Halloween party, Chomper gave Hopper a paperclip he found in the ocean. Hopper was so surprised, because he had gotten his friend a present too! Hopper gave Chomper a seashell he found in the sand. When Chomper got home he was already excited for next year's Halloween party!
