

The Kingdom Rivals

Once upon a time on a fall morning in a fairytale Kingdom named Kingdom Catherine's, there was a rival soccer game against Beary Bear's Bad Kingdom. Beary Bear's Kingdom wasn't a nice kingdom at all. Last soccer game Beary Bear handed out bad apples that made everyone on Kingdom Catherine's team sick! All the players in Kingdom Catherine's team had to forfeit.

Everyone was very anxious and excited. The time came closer to the game and soon enough it was time to play. All the players and people were jumping in excitement and nervousness. Beary Bears kingdom scored and was winning 1-0. Kingdom Catherine's scored boastfully after and the score was tied. Beary Bear got very frustrated and angry when the score was tied and decided to do a very bad thing. He gave Kingdom Catherine's teammate a foot wide lollipop if he would cheat and only pass the ball to Beary Bear's Kingdom.

Towards the end of the game Kingdom Catherine's was losing terribly because their teammate would pass to the other team each time. Then the end of the game came and Kingdom Catherine's was very disappointed. Beary Bear's team had a sudden change of heart and could see the upset in Kingdom Catherine's eyes. They decided to apologize for what they have done and let them have the win they deserved. At the end of the story they all became good friends and one Kingdom named Catherine's Beary Big Kingdom.
