

The Lost Shoe

There once was a man named Bill. He went to school at Villanova and drove a fire truck. Bill goes on vacation to Florida. He meets a woman named Erin. One day, when they were at Daytona Beach, Erin lost her shoe. They kept searching and searching but all they could find was: a keychain, ear plugs, a gripper, sunglasses, and a pencil. They finally found the missing shoe under a tree. Bill and Erin drove home in the fire truck. They always made sure they knew where their things were after that.
