## St. Cyprian Catholic School April Newsletter

The candy bar fundraiser ends on April 3; thank you to all who supported our last fundraiser of the school year!

**Re-registration has begun.** We are now accepting new registrations. Please re-register as soon as possible to guarantee your child's seat for the upcoming school year. Once classes are full, we will be unable to accept any more registrations.

**Summer school information** will be sent home this month in the communication folders. Summer school classes will run from Monday, June 29 until Friday, July 31, 2009 from 8:30 AM through 11:30 AM daily. The tuition fee is \$200.00 per subject or \$350.00 for two subjects. If your child is mandated to attend summer school, it is imperative that the paperwork is completed and returned as soon as possible. Any student mandated to attend summer school who does not comply will be retained in their current grade and not promoted for the 2009-2010 school year.

**St. Cyprian Catholic School's Annual Science Fair** will be held on Friday, April 24, 2009 from 3:30 until 9:00 PM in the Community Hall. The students have worked extremely hard, and their work will be on display for the public. The public will be able to view the displays from 3:00 until 4:30 PM. Beginning at 4:30, there will be judges from various scientific fields who will evaluate and determine the overall winners of the Science Fair. During this time the Science Fair will be closed to the public.
