Book Order Deadline Date: September 7, 2010

Book Order Notes from the Teacher:

Scholastic book orders are a fantastic way to purchase great literature for a low price! You can now place your orders online so that your child doesn't have to carry money to school! See the bottom of this newsletter for more details! By ordering online, you will earn \$3 of free books for our classroom! If you'd rather return the order form to school, please send a check made payable to **Scholastic**. You may combine multiple orders into one check.

Curriculum Connections:

Select books for your child that will correlate with our upcoming classroom studies! You may want to look for books with the following connections –

- Kevin Henkes (August author study)
- Mysteries (October Genre Study)
- Non-Fiction Animal Books (science unit)
- Grammar Fun Trio (language arts)

Accelerated Reader

Notice that many books in the catalogs have the AR level listed in fine print underneath the description (look for AR). This will help you choose books on your child's level that he/she can read at home to take tests on for our Accelerated Reader program at school!

How To Make Selections:

Let your child go through the catalog and circle books that interest him/her. You can use these books as a guide to help you select the ones that you think are most appropriate, but will still be of interest to your child. Remember, we want them to **ENJOY** reading!! Consider holding a family reading night...purchase multiple copies of a chapter book that the family can read together!

Online Ordering:

You can place your book order online so there's no need to send money to school! Visit www.scholastic.com/bookclubs and our classroom activation code is **GP2T7**.
