This will be our final class newsletter. Thank you so much for sharing your child with me this year. Each child has grown so much, and I've truly enjoyed watching them become strong readers and super mathematicians! I hope that your family has a wonderfully, fun summer full of new adventures!

In your child's Summer Bucket (gift from Mrs. Madden that they will receive on Award's Day, there is a list of 100 Things to Do Instead of Watching TV/Playing Video Games! Your children worked in groups to compile these lists after reading The Great Triple Creek Dam Affair by Patricia Polacco. I hope this list will give them some great ideas for the summer. If your child keeps this list, completes at least 20 of these activities over the summer, and returns it to me at the beginning of the year, he/she will receive a special treat! ☺ One item that I added to the list was LetterBoxing! I love to do this with my nephews. Letterboxing is a type of scavenger hunt and they are located all around the Greenville area (on trails, in parks, downtown, at the library). To find out more about letterboxing visit <http://www.atlasquest.com/> and/or <http://www.letterboxing.org/> - this would be a FUN family activity for the summer!
