Dear Mr. DiCenzo:

Congratulations to you and the entire Orange Grove Charter Elementary School community for maintaining your impressive rating on the State of South Carolina's 2010-2011 Annual School Report Card.

We are immensely proud of this accomplishment and your school's continued success. Earning a high rating is a great achievement that reflects your staff's ongoing hard work, your leadership, and your parents' and community members' commitment to making the school a dynamic environment for learning.

Your team's efforts are vital to helping our district achieve its goals of closing the achievement gap, elevating student achievement, and raising the high school graduation rate. As a result of your work, students leave your school better prepared for the next level of learning and empowered to make positive contributions to the Charleston County community.

I look forward to building on this outstanding momentum as the victory continues to be in the classroom at Orange Grove.

Please extend my congratulations to your students, faculty, parents and partners for a job very well done!

Sincerely,

Nancy J. McGinley, Ed.D.
