

★

D

Each square on the map below is five miles long and five miles wide.

The symbol ● means that the city has between 500 and 1,000 people.
 The symbol ○ means that the city has between 1,000 and 2,000 people.
 The symbol ⊙ means that the city has between 2,000 and 5,000 people.

Write **Part D** in the left margin of your paper. Then number it from 1 to 9.
 Look at the map and answer the following questions.

1. How many people live in Kinshaw?
2. Which has a greater population, Albert or Kinshaw?
3. About how far is it from Bluetree Lake to Badger Lake?
4. How many lakes are there in Himbole County?
5. Is it farther from Bluetree Lake to Badger Lake or from Bluetree Lake to Brian Lake?
6. How many cities in Himbole County have between 500 and 1,000 people?
7. How many cities have between 1,000 and 2,000 people?
8. How many cities have between 2,000 and 5,000 people?
9. How many cities have more than 1,000 people?
