

Economic Systems Research Project Grading Rubric

	"D" Grade 70	"C" Grade 80	"B" Grade 90	"A" Grade 100	Score
Accuracy of economic system designations	4 or more designations are flat out wrong - poor	2 to 3 designations are wrong - average	With exception of 1, designations are right on - good	Designations are right on the money - excellent	
Quality of examples supporting economic system designations	Most examples are not logical & appear to have a poor grasp of the economic systems	Some examples are logical, but looks like they do not have a good grasp of the economic systems	Most examples are logical & point to a relatively good understanding of the economic systems	All examples are very logical & point to a clear understanding of the economic systems	
Quality of written paragraphs	No organization w/ poor information, frequent grammar &/or spelling errors, & illegibly written	Some organization w/ decent information, more than a couple grammar &/or spelling errors, & legibly written	Decent organization w/ good information, only a couple grammar &/or spelling errors, & all either legibly written or typed	Excellent organization w/ great information, no grammar &/or spelling errors, & all very neatly typed	
Utilization of research time	Not focused at all & working only enough to avoid a Zero in library; asked questions after wasting 1 1/2 days w/ poor comprehension of advice	Not especially focused & rarely actively working in library; asked questions after wasting a day & below average comprehension of advice	Somewhat focused & actively working most of the time in library; asked questions but had average comprehension of advice	Well focused & actively working at all times in library; asked questions if unsure as to what to do & great comprehension of advice	
Quality of group presentation	Poor presentation w/ only 1 group member actively participating in presentation	Average presentation w/ 2 group members actively participating in presentation; maybe one doing more than others	Good presentation w/ all group members actively participating, but likely w/ one member doing more than others	Excellent presentation w/ all group members actively participating in presentation
