

# Who Am I?

## Amelia Mary Earhart

Creating students that are life-long learners is one of our goals at Anderson Elementary. To help encourage this, we are promoting research in the classroom and at home. This month we are researching Amelia Earhart. The websites below have links to many great kid friendly sites, or checkout a book about Amelia Earhart. Write an interesting fact about this month's famous person in the box below, or create your own creative way to display your fact.
