

NEWTON'S LAWS

Newton's First Law

Law of _____

Objects at _____
remain at _____
and objects in
_____ remain in
_____ unless
acted upon by an
outside _____
force.

EXAMPLE:

Newton's Third Law

For every _____
there is an _____
and _____
reaction.

EXAMPLE:

Newton's Second Law

Force = _____ *

As mass _____
acceleration _____

As mass _____
acceleration _____

As force _____
acceleration _____

As force _____
acceleration _____

EXAMPLE:
