

Monday, November 30th
11:30-12:30
Library

Mrs. Cook, Librarian, presents...

Pond Springs Internet Resources... At Your Fingertips!

Overview of the online databases that RRISD provides to students, teachers, and parents. These resources are aligned with the state and district curricula and knowledge of these databases will enable parents to better assist their students with homework. Many of these require a **specific username** and **password**. These will be given to parents during this presentation.

RSVP to Lydia at 464-4225 or Lydia_Terry@roundrockisd.org
