

Joy Windell – Algebra

Website: <http://www.teacherweb.com/TX/StonyPointNinthGradeCenter/JoyWindell/>

Email: joy_windell@roundrockisd.org

Phone: 424-8854 **Room:** 621

STUDENTS ARE EXPECTED TO:

- 1) Follow all school rules as provided in the Student Handbook.
- 2) Items prohibited in the classroom include cell phones, music players, hats, hoodies, and food and drink.
- 3) Student will be given one day per day absent to make up any missed work for full credit. After that point, I will follow the late work policy.
- 4) To receive full credit on any and all assignments, students must show their work. Full credit will NOT be given for answers without any work shown.
- 5) If a student will miss class due to any planned activity; the student is responsible for having all the homework completed upon return. The student should schedule to take the quiz or test before the planned absences or must make up the quiz and/or test on the day that they return. Exceptions must be pre-approved.
- 6) Projects are due on the assigned day even if students are absent due to pre-planned activities. Both the activity and due date of the project are known ahead of time, so it is the student's responsibility to meet the specified deadline.
- 7) If a student is absent for a quiz or test, it is their responsibility to make up the quiz before school or after school during tutorials. Quizzes must be made up before a test is given over the material otherwise, a zero will be recorded for that quiz. Tests must be made up in a timely manner otherwise, a score of no higher than 70 will be recorded for that test.

Parents –

I will be updating my webpage regularly to keep you informed of dates for quizzes and tests and other important announcements. If you would like to ensure that you are informed, please visit my web page and add your email address to my "Get Updates!" link. This ensures you get an email reminder to check the page when I update it.

Also, please go to the "About My Child" link on my webpage and fill out the questionnaire so that I may get to know your child better, and that I may have your most recent contact information to keep in touch with you throughout the year.

You can keep track of your student's grades in any class with Home Access Center at <https://accesscenter.roundrockisd.org/homeaccess/>. You must obtain your username and password from Stony Point 9th Grade Center Home Access Center Coordinator Dixie Cockrell at 424-8811.

Please sign and detach the form below. Students should return the signed portion ASAP.

I have read, understood, and will comply with all of the policies for Mrs. Windell's Algebra class.
