

August 27, 2008

Dear Spartan parents,

This year we have 2 uniforms for the instrumental groups. Our informal uniform includes a yellow polo which is to be purchased by the students, fitted, blue jeans, and white tennis shoes (the plainer the better). This will be worn when we recruit, take field trips, and on school spirit days. The formal uniform is a white buttoned shirt (no spaghetti straps), black slacks or black skirts below the knees, and black shoes. This will be worn for evening concerts and festival performances.

The yellow polos cost \$25. They are embroidered with Spartans Band or Spartans Orchestra, depending upon the group in which your child performs. The sale of these shirts is also a fund raiser for our groups. We need to collect the money for the shirts next week. We need to order the orchestra shirts, and I want there to be time for them to arrive before our recruiting trip October 23. The band shirts are here, and now we need to get the money from shirt sales in our account so we can purchase equipment and music as well as pay festival fees.

Please return the bottom portion of this letter with a check made to "Thomas Jefferson High School" and write "instrumental music" on the memo line. Thank you.

Sincerely,
Robin Johnson

PS

Parents, you are welcome to show your support for our organization and show that your child is involved in instrumental music by purchasing shirts as well. Just indicate the size. I will order shirts that say "Spartans Booster." As stated before this is a fund raiser for us.

Student Name _____

Shirt size (men's 100% cotton) _____XXL _____XL _____L _____M

Shirt for parents and/or other supporters _____YES _____NO

If purchasing shirts for parents and /or other supporters, please indicate the number of shirts and the sizes needed.
