

# Cinnamon Applesauce Christmas Ornaments

1 cup of applesauce

1 TBS. Nutmeg

1 TBS. allspice

1 TBS. cloves

$\frac{3}{4}$  cup cinnamon

Mix together. Roll out mixture on wax paper to about 1/8" thickness. Use a cookie cutter to cut out shapes. Use a straw to make a hole in the top for string. Allow to lay out 3-4 to dry. You may want to turn them over every day. These smell wonderful.
