

## SFds 3<sup>rd</sup> Grade Students Receive Bibles

In a special ceremony following Mass on September 11, 2009, 3<sup>rd</sup> grade students were presented with a bible they will use throughout their religious education at St. Francis de Sales. During Mass, Father Morfin blessed the bibles and sprinkled them with Holy Water. Father Morfin also said a special blessing over the students. It is the hope that each of them will find the way to becoming a better person through the God's word. After Mass, the children were called by name to come forward to receive their bible.
