

## 7<sup>th</sup> and 8<sup>th</sup> Grade Students Meet Cherubs

The Bible tells us that God sent angels to guide and defend His people on earth. Jesus said that angels in Heaven watch over and protect children on their way to God's kingdom. In a special ceremony in the Mary Garden on September 29th, 7<sup>th</sup> and 8<sup>th</sup> grade students met their 1<sup>st</sup> and 2<sup>nd</sup> grade cherubs. Each year, older "angel" students are paired with younger "cherub" students to serve as examples during Mass and on other holy occasions. This bond is very special for both students and is long remembered.
