

St. Francis de Sales School

Praying, Learning and Living Together
Founded in 1964

Our school logo, designed in 1996 by Debbie Moseley of Moseley Creatives, symbolizes our parish and school community with Christ as our core. The white space surrounding the cross reminds us of the ancient buildings in Bethlehem, where Jesus was born. The central cross is framed by an unending circle of strength and unity as children, parents, teachers and parish pray, learn and live together.
