Parent Information Night – 2009

Our parent information night held on the evening of August 27th was a huge success. Please send in your feedback on the “one-evening” event. Teamwork is alive at St. Francis de Sales School. Parents, students and teachers will work together to make the dream work this year. Thank you for building the village.

If you were not able to attend:

Included with this note are the five (5) family labels for your volunteer opportunities, the parenting magazine, family information update and information about arranging a time for your child’s October report card conference.

Conferences

Please email your child’s homeroom teacher to find a time slot between noon and 9:00 pm on Thursday, October 22. Many parents signed up at the information night so please have a few options ready to discuss. Your child’s homeroom teacher may be emailed using the school’s website: www.sfdsschool.org

Virtus Training

Also, please make sure to sign up for a Virtus training session if you have not done so already. Please go to www.Virtus.org to register. We are in the Galveston-Houston Archdiocese group.

Volunteer Stickers

Each family is responsible for offering to volunteer five (5) times at the school this year. Please arrange to come to the office and apply your family labels to the event posters. Your student can do this for you if you like.
