

SFds 8th Grade Students Receive Leadership Crosses

In the life of a parish and a school, there are occasions when God's blessing is especially sought for those who are about to begin new roles in their lives. In a ceremony on September 5, 2009, a special blessing was asked for our school's new leaders, the 8th grade class, as they dedicate themselves to helping each other and all the students of our school. During this annual ceremony, each 8th grade student was called by name to receive a cross pin blessed by Father Wayne. This special symbol will serve as a reminder to follow the ways of Jesus Christ by demonstrating leadership through honesty, compassion, humility, and service to others.
