

Seminarian Vincent Arong Visits SFdS Kindergarten Classes

Wednesday, September 2nd, Seminarian Vincent Arong visited SFdS kindergarten classes. Students learned the word “seminary” coming from the Latin word for “seedbed.” God plants the seeds, and watered by grace, the tiny seeds sprout branches. These branches stretch a man’s heart so that he prayerfully considers the invitation to priestly vocation. The children were encouraged to pray for Vincent as he continues his seminarian studies in Rome. The prayers are like water for the seed and help Vincent grow in his faith and vocation. Vincent will be ordained as a transitional Deacon on October 8, 2009. His ordination into the priesthood will be July 10, 2010 with a Mass of Thanksgiving to be celebrated at St. Francis de Sales on July 11, 2010.
